

SPRING 2018 TCC TENNIS SCHEDULE

IT'S FINALLY SPRING!! I've been anxiously waiting for the warmer weather so we can start hitting tennis balls at the Troy Country Club, and the time is NOW!!! Clinics & leagues are building at one of the best summer tennis programs in the area – if you've ever thought of getting involved with the awesome sport of tennis, make this your year!! For more info, call the TCC tennis house at 937-216-6066 to sign up for one of the programs/events below, or to ask any questions at all! As far as what's going on so far and what's coming up

I have two **Junior Clinics** going on right now – GREAT for learning proper stroke production & an introduction to point play! (advanced group plays at least 15 minutes match play each lesson):

- Jr. Advanced on Fridays 4-5:30
- Jr. Intermediates on Thursday 5:30 - 6:30 and Saturday 11-12
- High School clinics will start as soon as the boys are done with their high school season

We have our **Ladies Clinics** every Tuesday and Thursday evenings 6:30-7:30pm. This is great for all levels. We work on stroke production and fundamentals of singles and doubles strategy. It's a great time of fun and learning. It's also great exercise!! Please get involved. I will also have a beginner's class on Wednesday nights 6-7pm hoping to start mid-May.

I am looking to start a **Men's Clinic** on Monday nights or Wednesday nights. Please let me know if you are interested – would love to have a competitive group of guys getting together on a weekly basis to sharpen skills & compete against each other!

Cardio Tennis will start up on Saturdays soon - TBA. Talk about a fun way to get in shape, tennis style! Come check it out this year & get in the best shape of your life this summer using tennis as your starting point!

Full Clinic schedule listed below:

Clinics May 1 –June 1 (Before School is Out)

Note: All clinics will start as soon as I can get them built (minimum 4 people/clinic to start), so please call (216-6066) and let me know you are interested.
